Testimonial

'Lizzie at Totally Delicious, along with their amazing head chef James, produced the most incredible afternoon tea I have ever had. This was after a loose "mood board" of ideas which incorporated some of the wedding canapés into the final afternoon tea.

They really took the time to consider the flavours that we liked and the presentation was just stunning. We sat in one of the beautiful 360° view pods and Lizzie took the time to come and ask about any changes we'd like to make ahead of our wedding in June.

Just amazing customer service, friendly staff and delicious food.'
